

Our Team is evolving

Dear Clients,

Our team is evolving, but our commitment remains the same: to provide you with high-quality support based on **expertise, personal attention, and trust.**

We are pleased to welcome **Débora Dolores** in September, who is joining our team as **Mandate Manager.**

A holder of the **Federal Certificate in Finance and Accounting, a certified auditor,** and with extensive experience in the fiduciary sector, she will put her skills and experience to work for our clients and help ensure the continuity and quality of our support.

This transition is fully in line with our commitment to continue supporting you with **competence, availability, and responsiveness,** while maintaining the close relationship that is so important to us.

DS Fiduciaire, Duc & Fils SA – Your trusted partner!
